RELEASED VALUE/CARGO INSURANCE WAIVER

In consideration of, and in connection with, the transportation of modular condominium unit # ~~008 - Page 37 - 42~~ and any components thereof or contents therein (the "UNIT") for East AHM Development (the "CONSIGNOR/CONSIGNEE"), who is the owner of the UNIT and the payer of the freight charges and maintains a mailing address of P.O. Box 669, Cle Elum, WA 98233, from the shipping facility of Transform at 11857 Bay Ridge Drive, Burlington, WA 98233 to CONSIGNOR/CONSIGNEE's delivery site at 611 Hwy 903, Cle Elum, WA 98922 for intended installation into a complex with other modular condominium units on or about mid September 2008, Bennett Truck Transport, LLC (the "CARRIER") has agreed to provide the transportation based on this Released Value/Cargo Insurance Waiver. The parties hereto acknowledge and agreed that the UNIT is approximately 75 ft long and will be carried on CARRIER's lowboy chassis which is capable of stretching to a maximum length of 66 ft. and therefore the possibility of damage to the UNIT during transport is uncertain, and CARRIER would not undertake to perform the services contemplated hereunder without the CONSIGNOR/CONSIGNEE's representations, indemnifications, waivers and releases contained herein.

This Released Value/Cargo Insurance Waiver (the "Agreement") is executed by CONSIGNOR/CONSIGNEE on behalf of itself, the shipper and their successors and assigns, to acknowledge and consent to the UNIT being released for transport at a value not to exceed One Hundred Dollars (\$100.00), and it is understood that the pricing offered by CARRIER for the transportation services provided by CARRIER is predicated upon this release rate. Further, CONSIGNOR/CONSIGNEE has been advised, and has agreed, to secure from others whatever further cargo insurance deemed appropriate, in CONSIGNOR/CONSIGNEE's sole discretion, to insure the UNIT against loss or damage during transport in any amount above the released value, or to self-insure for such amount.

In the event of loss, damage or delay in delivery of the UNIT during transport, CARRIER's liability shall be subject to the limitations set forth in this Agreement. Notwithstanding any contrary provision, (i) CARRIER's maximum liability for loss or damage to the UNIT during or as a result of transportation shall be limited to a released value not to exceed One Hundred Dollars (\$100.00) for the UNIT (including any and all components thereof or contents therein); (ii) in no event shall CARRIER be liable for any damage resulting from loss of use, profit, or business interruption, or for any consequential, incidental, indirect or special damages; (iii) CONSIGNOR/CONSIGNEE shall be solely responsible to the extent any loss, damage or injury is caused by the packaging, construction, assembly or manufacture of the UNIT shipped, including the components thereof; (iv) CONSIGNOR/CONSIGNEE shall be responsible for ensuring that the pickup/delivery sites are reasonably accessible, safe and otherwise suitable for loading/delivery; and (v) to the fullest extent possible, CONSIGNOR/CONSIGNEE waives any right to claim damages for any amount in excess of the released value, and shall indemnify, protect, defend and hold harmless CARRIER from any claim in excess of such released value. PROVIDED, HOWEVER, the released value and waiver hereunder shall not apply in the event damage is incurred to the Unit due solely to CARRIER's negligence or the mechanical failure of CARRIER's equipment.

This Agreement is to provide specialized transportation services to meet CONSIGNOR/CONSIGNEE's distinct needs, and both CONSIGNOR/CONSIGNEE and CARRIER expressly waive any and all rights and remedies allowed under 49 USC §14106(b), the bill of lading or other contract to the extent inconsistent with the terms and conditions of this Agreement. Further, this Agreement has been mutually drafted by both parties hereto, with the advice of counsel, and therefore the terms and provisions hereof shall not be construed more favorably on behalf of one party against the other party.

IN WITNESS WHEREOF, the undersigneds have executed this Agreement as of the ____ day of September, 2008.

Box 669, Cle Elum, WA 98233, from the shipping facility of Transform at 11857 Bay Ridge Drive, Burlington, WA 98233 to CONSIGNOR/CONSIGNEE's delivery site at 611 Hwy 903, Cle Elum, WA 98922 for intended installation into a complex with other modular condominium units on or about mid September 2008, Bennett Truck Transport, LLC (the "CARRIER") has agreed to provide the transportation based on this Released Value/Cargo Insurance Waiver. The parties hereto acknowledge and agreed that the UNIT is approximately 75 ft long and will be carried on CARRIER's lowboy chassis which is capable of stretching to a maximum length of 66 ft, and therefore the possibility of damage to the UNIT during transport is uncertain, and CARRIER would not undertake to perform the services contemplated hereunder without the CONSIGNOR/CONSIGNEE's representations, indemnifications, waivers and releases contained herein.

This Released Value/Cargo Insurance Waiver (the "Agreement") is executed by CONSIGNOR/CONSIGNEE on behalf of itself, the shipper and their successors and assigns, to acknowledge and consent to the UNIT being released for transport at a value not to exceed One Hundred Dollars (\$100.00), and it is understood that the pricing offered by CARRIER for the transportation services provided by CARRIER is predicated upon this release rate. Further, CONSIGNOR/CONSIGNEE has been advised, and has agreed, to secure from others whatever further cargo insurance deemed appropriate, in CONSIGNOR/CONSIGNEE's sole discretion, to insure the UNIT against loss or damage during transport in any amount above the released value, or to self-insure for such amount.

RELEASED VALUE/CARGO INSURANCE WAIVER

008-88037-17 In consideration of, and in connection with, the transportation of modular condominium unit - # and any components thereof or contents therein (the "UNIT") for East AHM Development (the "CONSIGNOR/CONSIGNEE"), who is the owner of the UNIT and the payer of the freight charges and maintains a mailing address of P.O. Box 669, Cle Elum, WA 98233, from the shipping facility of Transform at 11857 Bay Ridge Drive, Burlington, WA 98233 to CONSIGNOR/CONSIGNEE's delivery site at 611 Hwy 903, Cle Elum, WA 98922 for intended installation into a complex with other modular condominium units on or about mid September 2008, Bennett Truck Transport, LLC (the "CARRIER") has agreed to provide the transportation based on this Released Value/Cargo Insurance Waiver. The parties hereto acknowledge and agreed that the UNIT is approximately 100 ft long and will be carried on CARRIER's lowboy chassis which is capable of stretching to a maximum length of 60 ft. and therefore the possibility of damage to the UNIT during transport is uncertain, and CARRIER would not undertake to perform the services contemplated hereunder without the CONSIGNOR/CONSIGNEE's representations, indemnifications, waivers and releases contained herein.

This Released Value/Cargo Insurance Waiver (the "Agreement") is executed by CONSIGNOR/CONSIGNEE on behalf of itself, the shipper and their successors and assigns, to acknowledge and consent to the UNIT being released for transport at a value not to exceed One Hundred Dollars (\$100.00), and it is understood that the pricing offered by CARRIER for the transportation services provided by CARRIER is predicated upon this release rate. Further, CONSIGNOR/CONSIGNEE has been advised, and has agreed, to secure from others whatever further cargo insurance deemed appropriate, in CONSIGNOR/CONSIGNEE's sole discretion, to insure the UNIT against loss or damage during transport in any amount above the released value, or to self-insure for such amount.

In the event of loss, damage or delay in delivery of the UNIT during transport, CARRIER's liability shall be subject to the limitations set forth in this Agreement. Notwithstanding any contrary provision, (i) CARRIER's maximum liability for loss or damage to the UNIT during or as a result of transportation shall be limited to a released value not to exceed One Hundred Dollars (\$100.00) for the UNIT (including any and all components thereof or contents therein); (ii) in no event shall CARRIER be liable for any damage resulting from loss of use, profit, or business interruption, or for any consequential, incidental, indirect or special damages; (iii) CONSIGNOR/CONSIGNEE shall be solely responsible to the extent any loss, damage or injury is caused by the packaging, construction, assembly or manufacture of the UNIT shipped, including the components thereof; (iv) CONSIGNOR/CONSIGNEE shall be responsible for ensuring that the pickup/delivery sites are reasonably accessible, safe and otherwise suitable for loading/delivery; and (v) to the fullest extent possible, CONSIGNOR/CONSIGNEE waives any right to claim damages for any amount in excess of the released value, and shall indemnify, protect, defend and hold harmless CARRIER from any claim in excess of such released rate.

This Agreement is to provide specialized transportation services to meet CONSIGNOR/CONSIGNEE's distinct needs, and both CONSIGNOR/CONSIGNEE and CARRIER expressly waive any and all rights and remedies allowed under 49 USC §14106(b), the bill of lading or other contract to the extent inconsistent with the terms and conditions of this Agreement. Further, this Agreement has been mutually drafted by both parties hereto, with the advice of counsel, and therefore the terms and provisions hereof shall not be construed more favorably on behalf of one party against the other party.

IN WITNESS WHEREOF, the undersigneds have executed this Agreement as of the ____ day of September, 2008.

RELEASED VALUE/CARGO INSURANCE WAIVER

008-88832-9
 In consideration of, and in connection with, the transportation of modular condominium unit - # and any components thereof or contents therein (the "UNIT") for East AHM Development (the "CONSIGNOR/CONSIGNEE"), who is the owner of the UNIT and the payer of the freight charges and maintains a mailing address of P.O. Box 669, Cle Elum, WA 98233, from the shipping facility of Transform at 11857 Bay Ridge Drive, Burlington, WA 98233 to CONSIGNOR/CONSIGNEE's delivery site at 611 Hwy 903, Cle Elum, WA 98922 for intended installation into a complex with other modular condominium units on or about mid September 2008, Bennett Truck Transport, LLC (the "CARRIER") has agreed to provide the transportation based on this Released Value/Cargo Insurance Waiver. The parties hereto acknowledge and agree that the UNIT is approximately 100 ft long and will be carried on CARRIER's lowboy chassis which is capable of stretching to a maximum length of 60 ft, and therefore the possibility of damage to the UNIT during transport is uncertain, and CARRIER would not undertake to perform the services contemplated hereunder without the CONSIGNOR/CONSIGNEE's representations, indemnifications, waivers and releases contained herein.

This Released Value/Cargo Insurance Waiver (the "Agreement") is executed by CONSIGNOR/CONSIGNEE on behalf of itself, the shipper and their successors and assigns, to acknowledge and consent to the UNIT being released for transport at a value not to exceed One Hundred Dollars (\$100.00), and it is understood that the pricing offered by CARRIER for the transportation services provided by CARRIER is predicated upon this release rate. Further, CONSIGNOR/CONSIGNEE has been advised, and has agreed, to secure from others whatever further cargo insurance deemed appropriate, in CONSIGNOR/CONSIGNEE's sole discretion, to insure the UNIT against loss or damage during transport in any amount above the released value, or to self-insure for such amount.

In the event of loss, damage or delay in delivery of the UNIT during transport, CARRIER's liability shall be subject to the limitations set forth in this Agreement. Notwithstanding any contrary provision, (i) CARRIER's maximum liability for loss or damage to the UNIT during or as a result of transportation shall be limited to a released value not to exceed One Hundred Dollars (\$100.00) for the UNIT (including any and all components thereof or contents therein); (ii) in no event shall CARRIER be liable for any damage resulting from loss of use, profit, or business interruption, or for any consequential, incidental, indirect or special damages; (iii) CONSIGNOR/CONSIGNEE shall be solely responsible to the extent any loss, damage or injury is caused by the packaging, construction, assembly or manufacture of the UNIT shipped, including the components thereof; (iv) CONSIGNOR/CONSIGNEE shall be responsible for ensuring that the pickup/delivery sites are reasonably accessible, safe and otherwise suitable for loading/delivery; and (v) to the fullest extent possible, CONSIGNOR/CONSIGNEE waives any right to claim damages for any amount in excess of the released value, and shall indemnify, protect, defend and hold harmless CARRIER from any claim in excess of such released rate.

This Agreement is to provide specialized transportation services to meet CONSIGNOR/CONSIGNEE's distinct needs, and both CONSIGNOR/CONSIGNEE and CARRIER expressly waive any and all rights and remedies allowed under 49 USC §14106(b), the bill of lading or other contract to the extent inconsistent with the terms and conditions of this Agreement. Further, this Agreement has been mutually drafted by both parties hereto, with the advice of counsel, and therefore the terms and provisions hereof shall not be construed more favorably on behalf of one party against the other party.

IN WITNESS WHEREOF, the undersigneds have executed this Agreement as of the _____ day of September, 2008.

Further, CONSIGNOR/CONSIGNEE has been advised, and has agreed, to secure from other insurance coverage further cargo insurance deemed appropriate, in CONSIGNOR/CONSIGNEE's sole discretion, to insure the UNIT against loss or damage during transport by any amount above the released value, or to self-insure for such amount.

In the event of loss, damage or delay in delivery of the UNIT during transport, CARRIER's liability shall be subject to the limitations set forth in this Agreement. Notwithstanding any contrary provision, (i) CARRIER's maximum liability for loss or damage to the UNIT during or as a result of transportation shall be limited to a released value not to exceed One Hundred Dollars (\$100.00) for the UNIT (including any and all components thereof or contents therein); (ii) in no event shall CARRIER be liable for any damage resulting from loss of use, profit, or business interruption, or for any consequential, incidental, indirect or special damages; (iii) CONSIGNOR/CONSIGNEE shall be solely responsible to the extent any loss, damage or injury is caused by the packaging, construction, assembly or manufacture of the UNIT shipped, including the components thereof; (iv) CONSIGNOR/CONSIGNEE shall be responsible for ensuring that the pickup/delivery sites are reasonably accessible, safe and otherwise suitable for loading/delivery; and (v) to the fullest extent possible, CONSIGNOR/CONSIGNEE waives any right to claim damages for any amount in excess of the released value, and shall indemnify, protect, defend and hold harmless CARRIER from any claims in excess of such released rate.

This Agreement is to provide specialized transportation services to meet CONSIGNOR/CONSIGNEE's distinct needs, and both CONSIGNOR/CONSIGNEE and CARRIER expressly waive any and all rights and remedies allowed under 49 USC §31104(b), the BHHS of liability or other contract to the extent inconsistent with the terms and conditions of this Agreement. Further, this Agreement has been mutually drafted by both parties herein, with the advice of counsel, and therefore the terms and provisions hereof shall not be construed more favorably on behalf of one party against the other party.

RELEASED VALUE/CARGO INSURANCE WAIVER

In consideration of, and in connection with, the transportation of modular condominium unit - # 00888037-07 and any components thereof or contents therein (the "UNIT") for East AHM Development (the "CONSIGNOR/CONSIGNEE"), who is the owner of the UNIT and the payer of the freight charges and maintains a mailing address of P.O. Box 669, Cle Elum, WA 98233, from the shipping facility of Transform at 11837 Bay Ridge Drive, Burlington, WA 98233 to CONSIGNOR/CONSIGNEE's delivery site at 611 Hwy 903, Cle Elum, WA 98922 for intended installation into a complex with other modular condominium units on or about mid September 2008, Bennett Truck Transport, LLC (the "CARRIER") has agreed to provide the transportation based on this Released Value/Cargo Insurance Waiver. The parties hereto acknowledge and agreed that the UNIT is approximately 100 ft long and will be carried on CARRIER's lowboy chassis which is capable of stretching to a maximum length of 60 ft, and therefore the possibility of damage to the UNIT during transport is uncertain, and CARRIER would not undertake to perform the services contemplated hereunder without the CONSIGNOR/CONSIGNEE's representations, indemnifications, waivers and releases contained herein.

This Released Value/Cargo Insurance Waiver (the "Agreement") is executed by CONSIGNOR/CONSIGNEE on behalf of itself, the shipper and their successors and assigns, to acknowledge and consent to the UNIT being released for transport at a value not to exceed One Hundred Dollars (\$100.00), and it is understood that the pricing offered by CARRIER for the transportation services provided by CARRIER is predicated upon this release rate. Further, CONSIGNOR/CONSIGNEE has been advised, and has agreed, to secure from others whatever further cargo insurance deemed appropriate, in CONSIGNOR/CONSIGNEE's sole discretion, to insure the UNIT against loss or damage during transport in any amount above the released value, or to self-insure for such amount.

In the event of loss, damage or delay in delivery of the UNIT during transport, CARRIER's liability shall be subject to the limitations set forth in this Agreement. Notwithstanding any contrary provision, (i) CARRIER's maximum liability for loss or damage to the UNIT during or as a result of transportation shall be limited to a released value not to exceed One Hundred Dollars (\$100.00) for the UNIT (including any and all components thereof or contents therein); (ii) in no event shall CARRIER be liable for any damage resulting from loss of use, profit, or business interruption, or for any consequential, incidental, indirect or special damages; (iii) CONSIGNOR/CONSIGNEE shall be solely responsible to the extent any loss, damage or injury is caused by the packaging, construction, assembly or manufacture of the UNIT shipped, including the components thereof; (iv) CONSIGNOR/CONSIGNEE shall be responsible for ensuring that the pickup/delivery sites are reasonably accessible, safe and otherwise suitable for loading/delivery; and (v) to the fullest extent possible, CONSIGNOR/CONSIGNEE waives any right to claim damages for any amount in excess of the released value, and shall indemnify, protect, defend and hold harmless CARRIER from any claim in excess of such released rate.

This Agreement is to provide specialized transportation services to meet CONSIGNOR/CONSIGNEE's distinct needs, and both CONSIGNOR/CONSIGNEE and CARRIER expressly waive any and all rights and remedies allowed under 49 USC §14106(b), the bill of lading or other contract to the extent inconsistent with the terms and conditions of this Agreement. Further, this Agreement has been mutually drafted by both parties hereto, with the advice of counsel, and therefore the terms and provisions hereof shall not be construed more favorably on behalf of one party against the other party.

In consideration of, and in connection with, the transportation of modular condominium unit # and any components thereof or contents therein (the "UNIT") for East AHM Development (the "CONSIGNOR/CONSIGNEE"), who is the owner of the UNIT and the payer of the freight charges, and undertake a mailing address of P.O. Box 669, Cle Elum, WA 98233, from the shipping facility of Transform at 11837 Bay Ridge Drive, Burlington, WA 98233 to CONSIGNOR/CONSIGNEE's delivery site at 611 Hwy 903, Cle Elum, WA 98233 for intended installation into a complex with other modular condominium units on or about mid September 2008, Bennett Truck Transport, LLC (the "CARRIER") has agreed to provide the transportation based on this Released Value/Cargo Insurance Waiver. The parties hereto acknowledge and agree that the UNIT is approximately 160 ft long and will be carried on CARRIER's lowboy chassis which is capable of stretching to a maximum length of 30 ft. and therefore the possibility of damage to the UNIT during transport is unavoidable, and CARRIER would not undertake to perform the services contemplated hereunder without the CONSIGNOR/CONSIGNEE's representations, acknowledgments, waivers and releases contained herein.

This Released Value/Cargo Insurance Waiver (the "Agreement") is executed by CONSIGNOR/CONSIGNEE on behalf of itself, the shipper and their successors and assigns, to acknowledge and consent to the UNIT being released for transport at a value not to exceed One Hundred Dollars (\$100.00), and it is understood that the pricing offered by CARRIER for the transportation services provided by CARRIER is predicated upon this release rate. Further, CONSIGNOR/CONSIGNEE has been advised, and has agreed, to secure from others, whatever further cargo insurance deemed appropriate, in CONSIGNOR/CONSIGNEE's sole discretion, to insure the UNIT against loss or damage during transport by any amount above the released value, or to self-insure for such amount.

In the event of loss, damage or delay in delivery of the UNIT during transport, CARRIER's liability shall be subject to the limitations set forth in this Agreement. Notwithstanding any contrary provision, (i) CARRIER's maximum liability for loss or damage to the UNIT during or as a result of transportation shall be limited to a released value not to exceed One Hundred Dollars (\$100.00) for the UNIT (including unit and all components thereof or contents thereof); (ii) in no event shall CARRIER be liable for any damage resulting from loss of use, profit, or business interruption, or for any consequential, incidental, indirect or special damages; (iii) CONSIGNOR/CONSIGNEE shall be solely responsible to the extent any loss, damage or injury is caused by the packaging, construction, assembly or manufacture of the UNIT shipped, including the components thereof; (iv) CONSIGNOR/CONSIGNEE shall be responsible for ensuring that the pickup/delivery sites are reasonably accessible, safe and otherwise suitable for loading/delivery; and (v) to the fullest extent possible, CONSIGNOR/CONSIGNEE waives any right to claim damages for any amount in excess of the released value, and shall indemnify, protect, defend and hold harmless CARRIER from any claim in excess of such released rate.

This Agreement is to provide specialized transportation services to meet CONSIGNOR/CONSIGNEE's distinct needs, and both CONSIGNOR/CONSIGNEE and CARRIER expressly waive any and all rights and remedies allowed under 49 USC §19106(b), the bill of lading or other contract to the extent inconsistent with the terms and conditions of this Agreement. Further, this Agreement has been mutually drafted by both parties hereto, with the advice of counsel, and therefore the terms and provisions hereof shall not be construed more favorably on behalf of one party against the other party.

RELEASED VALUE/CARGO INSURANCE WAIVER

(D)
 In consideration of, and in connection with, the transportation of modular condominium unit - # and any components thereof or contents therein (the "UNIT") for East AHM Development (the "CONSIGNOR/CONSIGNEE"), who is the owner of the UNIT and the payer of the freight charges and maintains a mailing address of P.O. Box 669, Cle Elum, WA 98233, from the shipping facility of Transform at 11857 Bay Ridge Drive, Burlington, WA 98233 to CONSIGNOR/CONSIGNEE's delivery site at 611 Hwy 903, Cle Elum, WA 98922 for intended installation into a complex with other modular condominium units on or about mid September 2008, Bennett Truck Transport, LLC (the "CARRIER") has agreed to provide the transportation based on this Released Value/Cargo Insurance Waiver. The parties hereto acknowledge and agreed that the UNIT is approximately 100 ft long and will be carried on CARRIER's lowboy chassis which is capable of stretching to a maximum length of 60 ft, and therefore the possibility of damage to the UNIT during transport is uncertain, and CARRIER would not undertake to perform the services contemplated hereunder without the CONSIGNOR/CONSIGNEE's representations, indemnifications, waivers and releases contained herein.

This Released Value/Cargo Insurance Waiver (the "Agreement") is executed by CONSIGNOR/CONSIGNEE on behalf of itself, the shipper and their successors and assigns, to acknowledge and consent to the UNIT being released for transport at a value not to exceed One Hundred Dollars (\$100.00), and it is understood that the pricing offered by CARRIER for the transportation services provided by CARRIER is predicated upon this release rate. Further, CONSIGNOR/CONSIGNEE has been advised, and has agreed, to secure from others whatever further cargo insurance deemed appropriate, in CONSIGNOR/CONSIGNEE's sole discretion, to insure the UNIT against loss or damage during transport in any amount above the released value, or to self-insure for such amount.

In the event of loss, damage or delay in delivery of the UNIT during transport, CARRIER's liability shall be subject to the limitations set forth in this Agreement. Notwithstanding any contrary provision, (i) CARRIER's maximum liability for loss or damage to the UNIT during or as a result of transportation shall be limited to a released value not to exceed One Hundred Dollars (\$100.00) for the UNIT (including any and all components thereof or contents therein); (ii) in no event shall CARRIER be liable for any damage resulting from loss of use, profit, or business interruption, or for any consequential, incidental, indirect or special damages; (iii) CONSIGNOR/CONSIGNEE shall be solely responsible to the extent any loss, damage or injury is caused by the packaging, construction, assembly or manufacture of the UNIT shipped, including the components thereof; (iv) CONSIGNOR/CONSIGNEE shall be responsible for ensuring that the pickup/delivery sites are reasonably accessible, safe and otherwise suitable for loading/delivery; and (v) to the fullest extent possible, CONSIGNOR/CONSIGNEE waives any right to claim damages for any amount in excess of the released value, and shall indemnify, protect, defend and hold harmless CARRIER from any claim in excess of such released rate.

This Agreement is to provide specialized transportation services to meet CONSIGNOR/CONSIGNEE's distinct needs, and both CONSIGNOR/CONSIGNEE and CARRIER expressly waive any and all rights and remedies allowed under 49 USC §14106(b), the bill of lading or other contract to the extent inconsistent with the terms and conditions of this Agreement. Further, this Agreement has been mutually drafted by both parties hereto, with the advice of counsel, and therefore the terms and provisions hereof shall not be construed more favorably on behalf of one party against the other party.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the ____ day of September, 2008.
